

KS1 January 2012 Newsletter

Dear Parents,

We hope that you all had a good holiday and that your children have settled happily into school again.

Our work this term is all about toys, and will focus particularly on the materials they are made from and the history of toys. In order to make a class toy museum we are asking children to bring in any toys stored at home pre 1980. An approximate date with the toy would be very helpful.

During the second half term we will be visited by Heuristics who will help the children make their own wooden toy. Please see our basic topic plan on the reverse of this letter.

Suggestions of places to go/activities to do, in order to reinforce school learning:

- Talk to grandparents about the toys they had when they were young.
- Ask if they still have them.
- If yes, could you bring them into school, with an approximate age, for the class museum.
- Go for a winter walk - discuss freezing and melting.
- Make ice cubes – discuss melting time.
- Put twigs/leaves/pebbles in a foil dish, fill with water and freeze to make a 3d winter picture.
- If possible, watch: 'Joseph and His Amazing Techni-coloured Dreamcoat' DVD
 - 'Toy Story' DVD's
 - 'The Tin Soldier' by Hans Christian Anderson
- Visit the Derbyshire Museum of Childhood – there would be a cost involved, but well worth the visit.
- Visit Tamworth Castle – has a small selection of toys.
- Read the 'Easter Story' in the Bible
- Look up toys from the past on the internet, with parental guidance. (Please be aware of e-safety).
- Visit the library and borrow books about toys, or science, (materials), and sound.
- Check the local press for any related events.

Your continued help in hearing your child read is appreciated and is of great benefit when done on a regular basis. Throughout this term we will be trying to encourage the children to discuss their books and answer questions about what they have read. Spellings will continue as before.

May we remind you, please, that it helps if all items of clothing are named and that children do not wear jewellery to school other than stud ear rings. It would also be helpful if full P.E. kit could remain in school for the whole term.

We hope your child will enjoy the term's work.

Yours sincerely,

A. Brown (Mrs)
Year 1 Leader

L. Proffitt (Mrs)
Year 2 Leader
