Dear Parents,

As you may be aware, teachers in the Midlands region belonging to the NUT and NASUWT are taking strike action next Tuesday 1st October. This action is a response to the Government's education policies, and is not aimed at Parents, Management or Local Authority.

However, teachers belonging to other teaching unions have not been balloted, and cannot legally strike.

Therefore all classes, except 2K, will be closed to children on that day.

After school swimming, leaving at 2.30pm, will still take place for any Y2 children who have a place allocated and who can get here on time. Those who cannot come because of the strike action will be refunded for one session. After school dance and science clubs will be cancelled, and an extra session added on in November.

The decision to close classes is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, their classes cannot be covered.

We regret the difficulties this will cause parents, and thank-you for your understanding.

Yours sincerely

S J Saje
