Glendale Infant School
September 2017

Dear Parents,

Science Club

I will be running a Science Club for Year 2 children providing opportunities for them to carry out a range of investigations.

If your child is interested in attending, please complete the form below. This is the only opportunity to apply for a science place for this year. Once I have all the names in, I will allocate the children to groups, and each group will be able to attend a set of 7 sessions on Thursdays from 3.05p.m – 4.00p.m. at an allocated date in the year, which may be in the Autumn, Spring or Summer term. (The first group will start on Thursday 21st September).

Please note that there is a charge of £14.00 for the seven lessons.

N.B. Full payment will be required for the club when requesting the place. No refunds will be given should your child not attend, or change his/her mind. (The payment is for the place – not attendance).

Free School Meal Children, i.e. those parents who are in receipt of certain benefits, (job seekers, income support), may choose to use 'Get into It' funding, to access this club.

The sessions will be held in my classroom, and the children will come out to you from its outer door at the end of each session.

Please return the form by Friday 15th September.

Thank you,

Mrs. A. E. Brown

X.....

Science Extension Group

My child of class would like to take part in the above group.

I enclose £14 for the sessions

My child is entitled to Free School Meals

In case of emergency please provide contact details for your child as requested below:-

Child's name Class

Child's date of birth

Contact name

Contact No.
