

School News

September seems to have flown by and the children are very well settled in their new classes. The Reception children have established themselves in their new setting and it is lovely to see their independence blossoming already!

Year 1 and Year 2 have already had exciting educational visitors in to school and a visit out of school. The Lego Town Planner sessions were amazing, we have some budding designers in our midst and the children demonstrated their skills in great team work too, working together to create amazing models! These exciting experiences can only go ahead with the voluntary contributions we receive from parents; at one point we were seriously considering having to cancel these. We have had to make a significant contribution to ensure they went ahead, but we cannot continue to do this.

It was lovely to see so many Reception parents at the curriculum evening this week, thank you. With your support, we can work together, to give your child the opportunity to be the very best they can be. The staff and I would also like to thank all of you who have taken the time to complete home learning tasks and reading. The postcards sent over the summer were great and 1P even had a 'lobster' through the post, from the hatchery in Padstow!

Late Gate

A huge well done to all those children who got to school on time on Wednesday 27th and do so every morning! If you are experiencing difficulties in getting your child(ren) to school on time please do come in and chat to us, we might be able to offer some support.

POLITE REMINDER

When you are parking in the street please can you ensure you are parked on the road and **NOT** on the footpath. We have had complaints of people parking dangerously. Thank you.
