School News

In the build up to Christmas the children have started practising for their Christmas concerts, which you will be able to join us to watch in December.

The Reception classes had a visit from the Warwickshire Wildlife Sanctuary. The lady brought in some nocturnal animals - an owl, hedgehog and millipede - for the children to see and learn about. The children enjoyed the experience and could recall lots of facts they had learned, however the highlight for many was recounting the fact that the owl had an accident on the floor! Year 1 and Year 2 have been working hard too. Year 1 had a visit from Winnie the Witch, whilst looking at the Winnie story books. The children reported to me that Winnie had listened to my rule whilst in school, no spells, because we didn't want 3 classes of frogs rather than children!

Year 2 have produced some super work around World War Two and Remembrance Day, with some really thoughtful writing.

Christmas Fair – Thank you to those who braved the cold and were able to join us last night. More information will follow.
