

Pupil Premium Funding

Do you claim benefits?

Do you receive Job Seekers Allowance?

Do you receive Income Support?

If you do – you may be entitled to Free School Meals – which is different to the free meals, (Universal Infant Free School Meals, UIFSM), all infant children are currently entitled to.

If you are entitled, just by claiming, school will receive additional funding to help provide extra support in school – so please register them as soon as possible.

Once eligibility is confirmed, families are entitled to financial support from school - Get Into It Funding – which can be used for school trips and visits, after school clubs and academic support where needed. This funding can also be used for out of school activities, such as ‘Rainbows’, dance lessons, football training, kit etc. On **first registration only**, each child will receive a £30 uniform voucher to be used at the Schoolwear Centre, Nuneaton.

Get Into It funding will only be available to parents once receipt of benefits received has been confirmed. This is an easy system, which can be done over the telephone, or on-line. (It would be useful if you have your NI number to hand). Children do not have to take a school meal every day if they register.
