

5th December 2017

Dear Parents/Carers,

Christmas Jumper Day Friday 15th December

Friday 15th December 2017 will be Christmas Jumper Day where children will be able to wear a Christmas themed jumper/top/t-shirt along with the rest of their normal uniform. You do not have to go out and buy a Christmas jumper especially, if your child does not already have one be creative and add some tinsel/baubles/glitter.

If your child does not wish to wear a Christmas jumper they must attend in full school uniform on the day as normal.

We ask that the children bring in a minimum donation of 50p which will be given to 'Save the Children' charity. 'Save the Children' is a charity which helped over 10 million children last year and through various programmes it aims to give children around the world a brighter future.

Many thanks.
