## May 2018 Newsletter (1)

### School News

May has been an eventful month, with lots packed in, including a visit from OfSTED. We are happy to share a copy of the report with you, it should accompany this newsletter. We are pleased with the outcomes and feedback, Glendale remains a GOOD school, a school that myself, the staff and governors are very proud of. I would like to thank the staff and governors for their continued hard work and you, as parents/carers for your continued support. Your children, as always, did themselves and us proud and they are a credit to you and Glendale!

Year 1 and Year 2 enjoyed fun filled drama sessions on a Pirate theme, staff and children alike got into role.

Year 1 also had a visit from the Fire Service, teaching the children about fire safety, they have also completed the 'Kerb Safe' programme encouraging children to be safe when out walking near and crossing roads.

## May 2018 Newsletter (2)

### School News Continued

The School Council, assisted by Mrs Ward and Miss Brown organised a successful film event, attended and enjoyed by a large number of children. They also took receipt of £500 from Asda, as part of the 'Asda Foundation' supporting the local community, thank you to Mrs Ashby for nominating the school.

R2 – Miss Brown's class and R3 Miss Greer's class presented their wonderful class assemblies to the whole school, Little Glendale Pre-School and families. The children and staff worked incredibly hard and the presentations were fantastic.

We joined in the Royal Wedding celebrations with our red, white and blue day and picnic lunch. The children appreciated the opportunity to eat out in the sunshine! We extend our wedding congratulations to Mrs Greenwood nee Nisevic, who got married in Italy over the half term break.

Next year....

This half term will be busy as we look forward to the events leading up to the summer holidays and begin to plan for the new academic year. We have decided, due to the success of last year, that we will mix our classes again as the children move up to their new year groups. Teachers will again take into account factors such as friendship.

### Children's Safety

Last term we had several emails from the Local Authority regarding concerns from some Nuneaton schools, where pupils had reported being approached on the way home from school. Whilst our children do not walk home alone, we do always talk to the children about being safe and staying with their adults on their way to/from school and when they are generally out, making sure they can always be seen and see their adults. We felt it was important to share this information with you because there were several reported incidents. Then you too can remind your children about keeping safe.
