### School News

The whole school joined in a 'Pirate Maths Day', the children had lots of opportunities to apply their maths problem solving skills to find answers and treasure! They all enjoyed and rose to the challenges.

R1 presented their class assembly, their song and story about sun safety came at just the right time for us all! Well done R1 everybody enjoyed your assembly.

Reception had a visit from the 'Gribbly Bug Man', having the opportunity to learn about the many creatures he brought in.

We have had an active few weeks also, with the Zumba dance sessions, World Cup football day activities and Sports Day. The Zumba dance sessions were very popular and Miss Greer is trying to organise an after school club for the Autumn term. Thank you to all who were able to come and support on Sports Day. It was an incredibly hot day, but the reorganised sessions seemed to work well, the children thoroughly enjoyed it too! Year 2 had a pleasant and busy day at Kingsbury, with activities including pond dipping and a mini-beast hunt.

### Health and Safety Reminder

Please can we remind you that your children should **NOT** be playing on the school equipment before and after school hours. There has been a particular issue with the Reception outdoor space - we know it is very tempting with things set out, but staff spend time before/after school setting up in readiness for learning to start straight away and it is frustrating if things have been muddled up. We have also had several incidents reported to school of issues amongst children when they are in the care of their parents. There are notices up around the school premises – ‘school will hold no responsibility for use before and after school’, a text has recently been sent out, but we still seem to have some issues. I have asked staff to give names of individuals to me, so that I can talk to parents, because the only other alternative is to leave the gates round to Early Bird locked until 8am and insist that Reception parents stay on the main playground until the classroom doors open at 8.50am.

Thank you in anticipation of your support.
